CONDITIONS & AGREEMENT

Dear user, this is the system-generated application form for your requirement from BIJO Group, after going through your application form and verification to your information provided as per form, please ensure at the time of application choose correct segment as per your need.

DECLARATION

I gone through all about company, system, structures and its process through directed by my self / referrer, I understand fully that BIJO Group deals in financial, insurance, securities, investment, saving, CSC services and all other related and listed services registered in sub vertical providing mediator company, also a growing brand name as strong and trustworthy portfolio managing advisory links between listed principal companies, listed services provider mediator companies, on part commission appointed associates and customer through direct to customer process, my profile is to serve all listed services and after sales services according to set dealing pattern in respect of government rules and regulations.

My referrer take me through all about services, system, process and criteria as I fully understand the whole code of conduct and policies for users. I am accepting the proposal as made it also agree with system, structure, pattern and criteria as designed and allotted by company as it is, as well as giving assurance to respect any amendment made by company in system and process.

I understand as gone through all about product features, restriction and criteria already there are set pattern system for listed services direct to users, I just have to follow the same, also I am accepting that there are case to case delivery and returning processed from 10 to 30 days TAT.

I am fully agreed and accepting the whole system, process, pattern, structure, code of conduct, rules and policies designed by company.
